get involved

alpha

The next Alpha session is this Tuesday at 6:30 to 9:00 pm. Join us for a free dinner, video and meaningful small group discussions. Whether you are just looking into “that God stuff” or are a new or long-time Christian, be assured that God will reveal Himself to you, personally. We do not ask our guests to pay for the meals, handbooks, bibles and other materials they receive. The Alpha Course has been offered for over 16 years at the Mustard Seed because of the generous gifts of those who are aware of the life-changing, life-giving effect God’s Truth has on those involved.

heart2heart

Heart2Heart has collected frozen meals for congregation members and now our freezer is empty! It’s time to re-stock and prep for the next few months. We are also working to put together a master list of those willing to bring a fresh meal to a family! With all of the babies, and more on their way, and in times of grief, sickness, etc., it’s a blessing to be able to share a warm meal with others. This has been left up to small groups and friends of those needing meals, but we don’t want anyone to get left out! With the master list, we will be able to send out a need via email and quickly meet a need. If you’d like to provide a meal for the freezer, and/or want to be on the “fresh meal” list, please sign up on the clipboards being passed around. Questions? Talk to Elisa Brooks or call her at 785-843-2582.

“thank you” reception

Next Sunday, February 26, we will be having a reception to honor Judy Harkins who has faithfully served as our head of decorating and interior design for more than twenty years. Please join us in saying “thank you” after service in the Fellowship Hall. Refreshments will be served.

communion

Next week, we will have communion as a church family.
