Maundy Thursday Service  
7:00 pm

...

## ANNOUNCEMENTS

### WELCOME RACHAEL!!!

Rachael Costello, who has partnered with Wycliff Bible Translators and has been living in Jicaltepec, Mexico for a few months now has made a visit back to see us! She'll share a little with us this morning. Be sure to stop and talk with her to hear of all that is happening as she makes adjustments and works where God has placed her.

### MARRIAGE IOI

Many of you got a lot out of the 5 part series Pastor Pieter did on marriage. If you would like to have a boxed-set of all 5 DVDs, please sign up on the clipboard on the Media Board across from the restrooms. They are available for \$16 per set.

### COMMUNION

Next Sunday, we will have communion as a church family.

### NO DRINKS IN THE SANCTUARY

To keep our carpet as clean as possible, we ask that no drinks are brought into the sanctuary except for water bottles.

### NATIONAL DAY OF PRAYER

Thursday, May 5 is the National Day of Prayer. There will be two events happening in Lawrence: a meeting downtown at the South Park Band Shell from 12:10-12:50 pm and prayer at the Lawrence Life Fellowship, 911 Massachusetts St., at 7pm.

## Serving our Community

### SERVING OUR COMMUNITY

Our local Homeless Shelter really needs some sprucing up after a long winter. This is work that will be both inside and out. We have agreed to come in as a church on May 7th and do everything we can to help make the Shelter look and feel better to people who live there and those who work there. This is a great opportunity to practically fulfill our mandate to "Serve our Community." We need 25-50 people (more is also OK) to do the work that needs to be done. More details will be forthcoming in the next few weeks. Get ready to serve!

### A GARDEN WITH PURPOSE

Have you thought about the possibility of having a garden but aren't sure where to start? Well, this might be the time. The church is planning to use part of our land as a garden. But not a garden exclusively for our own use. We would garden with the intent of donating a part of the produce to a food pantry or a needy family so people who need food could have fresh produce. We would also offer garden plots to the people in neighborhoods around our church and encourage them to consider donating part of their produce also. This would be another way we could "Serve our Community" and get to know our neighbors. If you need some help with the "how to's" of gardening, join us for a quick meeting after service in the 4-6th grade room.

### CHILDREN'S CHURCH

We have started a new round of curriculum, teachers, and lessons. We are also doing some "updating" in the classrooms. If you have a heart to see the next generation begin a real relationship with Jesus at a young age, we would love to get you involved! We can always use helpers in classrooms and those with artistic ability to give us creative ways to "spruce things up." Please prayerfully consider if God would have you serve in this way. Talk to Pastor Eli or Elisa Brooks today!

## OUTSTRETCH Youth Ministries

### WHAT IS OUTSTRETCH?

What is Outstretch? Outstretch Youth Ministries is the youth group at Mustard Seed Church. We meet on Wednesday nights, 7 p.m., here at the church. 7th-12th graders are encouraged to come, meet some other teens who love the Lord, and have some fun together! We will be having some fun spring activities coming up in the several weeks - keep checking back each week for the details!

### SHAWN McDONALD

Signs of Life is hosting a concert with Christian singer/songwriter Shawn McDonald Friday, May 20th at 8:00 pm. This is an awesome opportunity to hear a mainstream artist in a small setting! Tickets are \$12 each - and they will probably sell out quickly! We would love to go as a group with any teens that are interested. Talk to Pastor Eli if you want to go!

### REACHING OUR CITY

Outstretch Youth will be doing a Reaching Our City mission trip this summer. We will do outreach and service projects within our own city as we partner with our church in reaching our community for Jesus! We will have trip dates and more details this Wednesday at Outstretch.
